

DO YOU KNOW THE 5 STEPS TO PROTECT CHILDREN?

STEP 1

GET THE FACTS

Every 16 minutes an Australian child experiences abuse (not including family violence or grooming).

STEP 2

CREATE A CHILD SAFE CULTURE

Child safety is everyone's responsibility, which means everyone should know what to look out for.

STEP 3

APPOINT AND PROMOTE AN MPIO

A Member Protection Officer, or MPIO, is the first point of contact for enquiries, concerns or complaints.

STEP 4

TALK ABOUT IT

Share your club's commitment to child safety.

STEP 5

SCREEN YOUR TEAM

Screening potential employees and volunteers helps prevent abuse.

Start the conversation today.

What are you doing to create a child safe environment?
